FALL NEWSLETTER

Back to School

Our partners across BC are putting together their fall youth programs now. Know a youth who could benefit? Reach out. Want to become a Harbourside partner? Reach out. Want to help us create more opportunities? Donate. Sometimes kindness is simply opening a door. Let's open a few more.

What If Kindness Looked Like an Opportunity?

I was hiking with a friend recently when a conversation with a family we met on the trail somehow turned to kindness. It got me thinking. Maybe kindness isn't just being nice. Maybe sometimes kindness looks like opening a door for someone who wouldn't otherwise have the opportunity to walk through it. That's what we're trying to do at Harbourside. And this summer, more youth have walked through those doors than ever before.

What If Kindness Looked Like an Opportunity?

As more youth come through Harbourside, we need your help. We want to keep saying yes when a young person comes to us who wants to be part of a gym, a team or a community but their family simply can't afford it.

You can make a one-time donation, or consider becoming a monthly donor. It doesn't have to be a large amount. Those monthly donations add up and help us know we can continue supporting a youth month after month.

Every donation goes toward creating opportunities for underserved youth to get involved in sport, find community, be mentored and, most importantly, know that someone believes in them.

Every donation receives a charitable tax receipt through our donation partner, GiveWise. If you're able to help, thank you. It really does make a difference.

Sometimes kindness is simply opening a door for someone. Help us keep opening them.
